Expert volunteers offer free help with filing simple tax returns.

Are you struggling with your tax return?

Many people find filling in their tax returns a daunting task. The tax return also has to be done digitally. This is not easy for everyone. But it is important that it is done properly. Many people are uncertain about this and some avoid it. This creates the risk of getting into trouble. Or they miss out on help or finances to which they are actually entitled. This is why the Forms Brigade offers help and

explanations on how to complete simple tax returns. This applies to all locations, with the exception of BiebPunt in Hoorn.

Who can attend the Tax Consultation Hour?

The Forms Brigade's Tax Consultation Hour is for every resident. But especially for elderly people, people who are non-native speakers or who for other reasons have difficulties with (digital) communication and keeping an overview. This consultation hour is not for entrepreneurs. As an entrepreneur, you can contact a financial service provider or the Tax Administration.

Free help

The Forms Brigade's expert volunteers offer this help free of charge. There is no need to make an appointment. Consultation hours are walk-in.
